

Chico Creek Nature Center

Preschool Workshops for children ages 3 - 5

Summer 2010

The Chico Creek Nature Center's Preschool Workshops allow us to offer quality environmental education to children ages 3-5. Workshops are designed to give young children their first introduction to nature through games, crafts, group discussion, and up close observation. We provide a caring yet fun environment where both children and adults can enjoy learning about nature. A parent or guardian must attend workshops with children.

Schedule and Fees

All Preschool Workshops are scheduled on Wednesdays from 10am-11am and meet inside The Chico Creek Nature Center.

Each workshop costs \$10 per child. It is important to enroll your child early as we limit each workshop to 15 children. To enroll your child, please fill out the registration form and return it with payment.

Upcoming Workshops

"Turtle of Tortoise", Wednesday, April 21, 10:00-11:00am

Turtles are some of our most ancient and unique animals. Why are they so slow? Can they take their shells off as they do in cartoons? We will learn about different types of turtles, go on a short walk and look for them, make our own turtle craft and meet our famous desert tortoise John.
